Report of *ex parte* presentations
in MB Docket No. 03-185

Dear Ms. Dortch:

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, this is to report that Byron W. St. Clair, President of the National Translator Association ("NTA"), made oral *ex parte* presentations concerning the above-noted proceeding to the following FCC staff members on the dates specified:

September 21, 2011 - William Lake, Chief, Media Bureau, and
Rebecca Hanson

September 23, 2011 - Rick Kaplan, Chief, Wireless Telecommunications
Bureau

In both meetings, Dr. St. Clair reiterated NTA's position concerning the provision in the July 15, 2011 Report and Order that establishes a firm deadline for the cancellation of the license of any TV translator still operating on any channel in the range of 52-69. He pointed out that an equitable solution to clearing channels 52-69 when winning bidders were ready to use them was already in place in the Rules, and that the December 31, 2011, deadline was both harsh and unnecessary.

Respectfully submitted,

George R. Borsari, Jr.
Counsel for the
National Translator Association
